

Product Developer Trainee - 2025

Products • 0 year • FullTime • Chennai

Welcome to our **Fresher Recruitment Program**

Who can apply?

2025 computer science graduates willing to pursue a career in product development

Strong programming & coding skills are a must.

As a Product Developer at Lumel, you'll:-

- Build products using UI frameworks
- Core skillset would be React.js, Node.js, Golang
- Develop hosted & cloud-based BI products using cutting-edge languages
- Re-engineer existing hosted products for the cloud (AWS)

How to apply?

- Fill in the application form, attach your resume, and answer the questions listed. As we would like to get to know you better through these responses, we encourage you to respond truthfully based on your personality and life experiences.
- There are no right or wrong answers to these questions – so answer them to your best ability possible

What happens after I submit my application?

- Our team would go through the applications & will get in touch with the shortlisted applicants for the pre-assessment calls
- You'll be taking up an assessment to start with & the recruiter will brief you on the same.
- You'll participate in a series of interviews with us, general & technical. In this process, we'll also assess how well you'll fit into our culture. For us right attitude is more important, one can always be trained technically but Attitude is what you already possess & we give prime importance to it.
- We'll be in touch with you during the entire process & share regular updates with you. Feel free to just pick up the phone or drop an email to us in case you have any questions.
- You should be able to hear the results from us in a week's time after the final interview.

Highlights:

- Learn while getting paid.
- Be part of an enterprising and rewarding culture with a highly accomplished peer group
- Be a pillar of support for Lumel's vibrant culture by always being willing and eager to experiment, learn, and deliver customer value while having fun.

Note: Lumel Technology, as a policy, does not authorize external parties to conduct employment drives

or extend Offers of employment on its behalf.
